\$18,000 Worth of New Spring Merchandise Offered To-morrow at 50 Cents on the Dollar!

Salvage Stock of Goods Bought at Auction Sale, Held by Order of Old Dominion Steamship Company.

Two giant steamers of the Old Dominion Steamship Company, bound for the port of Baltimore, laden with cargoes of spring merchandise consigned to leading retailers, collided in the fog on the Chesapeake Bay several weeks ago. A hole was stove in one of the vessels and its cargo slightly damaged by water. The entire cargo was sold last week at auction sale in Baltimore. We were the only Washington firm represented at the sale—another instance of our alertness in seeking out unusual advantages for our customers.

As is usual, these steamers carry all classes of freight, and, as a result, we secured extraordinary bargains for almost every department in the store, including the following goods:

Laces and Embroideries, Dress Goods, Men's Furnishings, Hosiery, Underwear, White Goods,

Wash Goods, Domestics, Prints, Cottons, &c.

The prices tell their own story—and should bring an overwhelming response.

Most of the stock is in perfect condition-absolutely fresh and clean. A small portion why is slightly damaged by water.

NEW, SEASONABLE MERCHANDISE AT FIFTY CENTS ON THE DOLLAR AND LESS is a rare happening-and is distinctly in contrast to the sales of second-class goods and passe stock now rampant in Washington.
